

Human Embryonic Stem Cell Research

Annual Reports from Institutions holding a Certificate of Registration

Requirement

In accordance with M.G.L. c. 111L, §10(i), an institution holding a Certificate of Registration to conduct human embryonic stem cell research shall submit an annual report to the Department of Public Health.

Due Date

Annual reports for 2005 (the first to be submitted under the new law) will be due on January 31, 2006.

Reporting Period

An institution's report for 2005 should cover the period from November 27, 2005 through December 31, 2005.

Report Content

Annual reports should provide a summary of the research approved to the extent required by M.G.L. c. 111L, § 3(b). The report should also include a statement representing that said research was reviewed in accordance with M.G.L. c. 111L, if applicable.

Submission of Reports

Please submit annual reports to the Department of Public Health, Division of Health Care Quality, 99 Chauncy Street, Boston, MA 02111.

Contact Information

For further information, please contact the Division of Health Care Quality at 617-753-8000.
